

Jessica Stewart

Associate Analyst

Jessica joined Virtuos as an Associate Analyst with two years of experience. In her previous job, she felt stuck with repetitive work and little opportunity for advancement. She wanted more.

Within months of starting at Virtuos, she realized she was in a very different environment. Listen to Jessica's description of the opportunities she has had, the cross-functional experiences she has enjoyed, the expertise she has developed, and the network of peers and mentors she has developed. Are you looking to advance your career?
